## Reading

### My friend Julie

1 \_\_\_\_\_  
She's got long wavy hair. Her hair is brown and her eyes are brown too. She usually wears jeans and a T-shirt. She's got a great pair of orange trainers. They're her favourite shoes and she often wears them.

2 \_\_\_\_\_  
She's quiet but I talk a lot. People say I never stop! I'm very impatient but Julie is just the opposite. When we go to the cinema I'm always late but she never shouts at me or anything. We're different, but that's not a bad thing.

3 \_\_\_\_\_  
She loves dogs. She's got seven dogs in her house and she likes taking them for walks and looking after them. Her favourite is a Labrador called Paco. Apart from dogs she likes sport and keeping fit.

4 \_\_\_\_\_  
She's very kind. For example, she lets me use her things and she even lets me wear her clothes. Because she's quiet she always listens to me and so I tell her things that I don't tell anyone else, not even my family. That's why she's special to me.

5 \_\_\_\_\_  
When she has lunch or dinner she always gives half of her food to her dogs. Her mum hates that! The other thing is that she has millions of pictures of Thierry Henry all over her bedroom walls and I don't like Henry, or football. But that's okay. She's my friend!
