MY DIARY

Thursday

I slept very badly. It rained all night and my tent got very wet. It was very windy too.

d

At four o'clock I got up and checked the tent. I got very wet. It was too dark to see and I fell over.

I went back into my tent. My clothes were dirty and wet and I was too cold to sleep. I didn't go back to sleep.

At eight o'clock I got up and started to make my breakfast. There was water in my pan and my cereal was wet. My bread was too hard to eat. I didn't have breakfast.

At nine o'clock I went to a hotel and had breakfast. The breakfast was too big for me. I didn't finish it.

Then I asked the lady for a bedroom. I was too tired to go back to my tent. I wanted to sleep. The lady took me upstairs and showed me my room.
