Open every day: 9.00 am – 6.00 pm

Meet Henry Smith, one of the most famous fossil collectors in the world. Henry works at Dinosaur World. He was on TV's *Dinosaur Days* last year.

Have a look at Henry's collection of fossils. Some are 195 million years old. These are the bones of some of the oldest dinosaurs in the world.

Stand next to full-size dinosaur models. Find out their height and size.

Go for a walk with Henry on the beach. Discover your own fossils. Learn how to look for fossils safely and correctly.

Visit the shop. Buy one of Henry's fossils. Or buy a dinosaur book or toy for yourself or your friends.
