### Role play

#### Work in groups of four.

Ash & Whitebeam is a manufacturing company. The Board has decided to set up a subcommittee to examine the four problems contained in File cards 20–23. Your group is that subcommittee and you are meeting to discuss these problems and to make recommendations to the Board. Read through the information on the File cards. Decide in groups who should lead discussion on each of the four topics. Each group member should prepare his / her introduction. When everyone is ready, begin the meeting. If possible, also choose an overall Chair for the meeting.

#### **TRANSFER 1**

Think about the role play meeting that you have worked on in this unit and your role in it. Evaluate the meeting by considering the following:

- · What were the objectives?
- · What was your role in the meeting?
- · Did you use any visual supports?
- · What was the result of the meeting?
- · How did you feel about this result?
- · What action or follow-up was agreed?

# TRANSFER 2

If you were the Chair of the meeting, again think about your role. Consider all the above questions but also the following:

- · What were the objectives?
- · How long did it take was this too long or too short?
- Were you an effective Chair?
- Did you summarise the meeting?
- How could you have chaired the meeting better?

# **TRANSFER 3**

If you know of any meeting that you are going to participate in, think about your preparation for that meeting. What do you need to consider?
