Adam's at school. He's in the school garden.

In March there were some frogs' eggs in the school pond.

In April, the eggs were tadpoles. The tadpoles had long tails. They had no legs.

In May, the tadpoles were eight weeks old. They had back legs.

In June, they had front legs and back legs. And they had short tails.

Now it's August, and they aren't tadpoles. They've got front legs and back legs. They haven't got tails. They're frogs. And Echo doesn't like them!
